## REGULAR TROOPS

#### Battle Back of Bluefields, Nicaragua, Which Ought to Be Decisive.

Bluefields, Nicaragua, May 24 .-General Lara, commanding a force of government troops, is today fiercely attacking the provisional government's 'position at the rear of Bluefields. The government steamer Venus is landing 500 troops off a lagoon, twenty-six -miles north of Bluefields bluff, for the purpose of attacking the bluff in conjunction with General Lara's force back of Bluefields.

The government troops began their attack last night on the position where the provisionals had entrenched themselves, but they were repulsed and returned to the woods. An artillery fire was kept up all night until dawn this morning, when the attack was resumed.

The American gunboats Paducah and Dubuque are not interfering with the movements of the Venus.

Washington, May 24 .- A brief telegram has been received at the state department from Consul Moffat at Bluefields, dated yesterday evening, in which he states that General Lara's forces were then attacking the Estrada army, entrenched back of the city

For several weeks troops commanded by General Paulono Godey, inspector general of the Nicaraguan army, and General Lara have been within a few miles of the city of Bluefields awaiting instructions from headquarters to attack the insurgents. It was believed that the delay in the issuance of orders to move upon Bluefields was for the purpose of enabling General Irias, commanding the gov-ernment steamer Venus with 500 soldiers on board, to reach the port of Bluefields so a concerted attack from both sea and land might take place.

Grew Worse in Spite of Six Months of Ablest Treatment - Sleep Terribly Broken - Face, Head and Hands Masses of Dreadful Humor.

#### A SINGLE SET OF CUTICURA CURED HIM

"I feel it my duty to let you know with what success I have used the Cuticura Remedies. When our baby was seven weeks old he broke out with what we thought was heat but which gradually grew worse. We called in a doctor. He said it was eczema and from that time we doctored six months with three of the best doctors in Atchison but he only got worse. His face, head and hands were a solid sore. There was no end to the suffering for him. We

had to tie his little hands to keep him from scratching. He never knew what it was to sleep well from the time he took the disease until he was cured. He kept us awake all hours in the night and his health wasn't what you would call good. We tried everything but the right thing. Finally I got a set of the Cuticura Remedies and am pleased to say we did not use all of them until he was cured. We have waited a year and a half to see if it would return but it never has and to-day his skin is clear and fair as it possibly could be. I hope Cuticura may save some one else's little one's suffering and also their pocket-books. John Leason, 1403 Atchison St., Atchison, Kan., Oct. 19, 1909."
